DESCRIPTION

The main house has retained all its charm and comprises: entrance hall, vestibule with old troughs, toilet, recently fitted kitchen opening onto the dining room, utility room, lounge with fireplace, master bedroom suite. On the first floor: landing, three bedrooms, shower room and toilet. On the second floor: games room and bedroom. A separate guest room with its own shower room, toilet and lounge complete the living area of this property.

The garden is very wooded with an integrated watering system and the possibility of creating a vegetable garden.

The pool area is very pleasant as it is not overlooked and is surrounded by trees. The pool house is unusual as it is in an old outbuilding with a dovecote. The drying room is a good size and can accommodate several cars or a motorhome.
