The main house has four bedrooms and two bathrooms, including a downstairs suite of bedroom/office and bathroom. It also has a very spacious kitchen/diner opening on to the sitting room with large bay windows opening directly to the terrace and garden.

The second house has been tastefully renovated to provide a downstairs living area with pellet burner and a kitchen opening onto the garden. Upstairs it has two bedrooms each with their own shower room and WC. This is currently used as a gîte and generates rental income.

The large garden includes a well maintained in-ground swimming pool.
