IN BRIEF

Located in Saint François de Sales, in the heart of the stunning Parc Naturel Régional du Massif des Bauges, near Annecy. The building has a footprint of 200 m² with the potential of up to 350 m² total living space.

An exceptional renovation opportunity in one of the most beautiful protected areas of the French Alps. The project has been started and is partially renovated, with all main services already in place, offering multiple development options: a single-level 200 m² apartment, or a 350 m² house using the attic space, or two 150 m² two-storey houses, or a main house plus two duplex apartments.

Substantial preparatory work has been completed with an easy task to finish half of the building quickly. There is a large stock of wood fibre insulation included in the sale to finish the project. A...
