NOTES

DESCRIPTION

The property includes a detached garden mazot, landscaped terraces, parking for five cars, and a lockable garage. A pellet-fuelled underfloor heating system ensures year-round efficiency, supported by radiators and backup immersion heater. With mountain views, sun-filled outdoor spaces, and thoughtful modernisation, this farmhouse offers rare flexibility for family living, holiday use, or lucrative rentals in one of the Alps' most sought-after valleys.

Samoëns is a beautiful village and listed on the French National Office of Historic Monuments, and the only ski resort in France to be listed.

The impressive Grand Massif ski area is on your doorstep with access to its 265 km of pistes. It includes the resorts of Flaine, Les Carroz, Morillon and of course Samoëns.

The Giffre River runs through the valley and there are several lakes which provide the focal points for some of the numerous stunning hikes and walks in the area. Samoëns is a village, not just a ski resort so it's busy and vibrant all year round, especially in summer with an impressive range of restaurants, cafes and bars catering to all tastes as well as a widely varying selection of shops and other amenities. In addition to the Grand Massif ski area, the Portes du Soleil is not far away, around 20 km by car to Les Gets and Morzine.
