NOTES

DESCRIPTION

This property offers an excellent opportunity for renovation and investment in a charming village setting.

The ground-floor modern studio apartment has been successfully used as a short-term rental for the past few years. It includes an entrance hall, a corner kitchen, a shower room with WC, and a bright lounge/bedroom area with a convenient pull-down bed — ideal for guests or immediate rental income.

The remainder of the building requires full renovation, but once completed, it would make a fantastic village home or holiday retreat, without the upkeep of a garden. The newly fitted front door opens into an entrance hall with drainage for a WC. Upstairs, the main living area features double windows, providing plenty of natural light, and original parquet flooring. There is also a former kitchen area and a bedroom, both offering great potential for redesign.

Outside, a gravel courtyard provides off-road parking and access to a garage/barn, which could be incorporated into the house to create a spacious family kitchen and living room.

The property is connected to mains drainage, and fibre optic internet is available in the village — an ideal setup for modern living or rental activity.

With many possibilities and excellent investment potential, this property could become either a comfortable family home or a two-apartment configuration for personal use and rental income.
