IN BRIEF

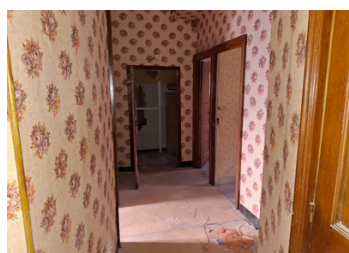

This property is a blank slate with opportunities for creating a business or family home. The charm of the former Grand Hôtel of Espéraza is still present through several original features, such as traditional cement and terracotta tiles, bedrooms which had en-suite facilities, and spacious, welcoming rooms. On the ground level are 2 large rooms and a large, enclosed and private courtyard.

The 1st level has 7 bedrooms from the old Grand Hotel, which was operating until the 1980's. There is a shared shower room in the hallway.

The 2nd level is currently an attic. This can be renovated to create more rentable bedrooms, an independent apartment or owners living quarters, or let your imagination create something different.

The sellers have already done some necessary work including sewer, some electrical, structural, and plumbing work.
