## DESCRIPTION

Located in the picturesque hillside village of Cessenon-sur-Orb, this charming village house has been divided into two separate apartments. Arranged over three floors, the property offers over 170 m<sup>2</sup> of living space, with each apartment enjoying its own independent entrance.

### Ground Floor & First Apartment:

The ground floor provides access to a large garage (30 m<sup>2</sup>). Stairs lead to the first apartment, all on one level, featuring a bright open-plan living area with an equipped kitchen and utility space. The hallway leads to a bedroom with a separate dressing area, along with a bathroom including a sink and washing machine point, and a separate WC. The original stairs to the upper floor provide a storage cupboard, but could be reinstated if desired to connect to the apartment above. This first apartment would benefit from some refreshing, though it already features double glazing and reversible air conditioning.

### Second Apartment (Duplex):

Accessed from a lane at the rear of the property (vehicle accessible), this duplex apartment immediately impresses with its brightness and charming exposed stone walls. Arranged over two floors, the ground floor offers a spacious open-plan living area with a galley-style modern fitted kitchen. The large space allows for multiple functional areas, and tucked away is a separate bathroom with bath, separate shower, and a WC. An open staircase leads to the first floor, where a mezzanine provides an ideal office or library space, alongside two bright bedrooms and a separate WC.
