NOTES

DESCRIPTION

Situated with no close neighbours and just 5 minutes from the town centre, the property combines privacy with convenience.

The centerpiece is a vast open-plan living, dining, and kitchen area over 80m², featuring exposed beams, stone walls, and tiled floors throughout. Light floods in through huge double patio doors, opening onto terraces with stunning views. A sweeping wooden staircase leads to a 50m² mezzanine lounge and an upper mezzanine office of 42m², creating flexible living and working spaces. Below the mezzanine, a dedicated bar area with a cave provides the perfect entertaining hub.

The ground floor also features a 17.5m² bedroom with side garden access, a shower room, and an additional 30m² living room with an open fireplace and patio doors to the terrace. Upstairs, two bedrooms (28m² & 14m²) share a stylish bathroom with a corner jacuzzi bath, double sinks, WC, and exposed beams.

Heating is via a fuel underfloor heating system in the living areas and radiators in the first floor bedrooms

Outside, the property extends over 2.7 hectares of land, with a small pond sourced from a spring, a double-basin water feature with a charming wood bridge, and several terraces ideal for alfresco dining. Outbuildings include a barn with a first floor (perfect for a workshop or storage), a remarkable tower, two smaller outbuildings including a former bread oven, and a hangar. Every element combines to create a rare, fully-realized country retreat.
