DESCRIPTION

Step into the grand entry hall, with its wide-tread solid oak staircase, and head for the terracotta tiled sitting/dining room, which also has access to the gardens, swimming pool and covered terrace. The ground-floor bedroom is off the sitting room but is also accessed by its own corridor, where you'll find the bathroom and separate WC. The lovely dining kitchen is at the back of the house and is full of light, its glazed doors opening straight out to the gardens. The utility room is accessed from the kitchen. To the other side of the entry hall is an office, shower room and second sitting room with a bar, fridge and sink unit.

Upstairs, the bedrooms are full of character. The master bedroom has its own ensuite bathroom and separate dressing room. There are two more bedrooms – one with its own sink and bidet – and a fourth bedroom leads to an attic room on the same level.

Outside, the enclosed wooded grounds are magical and not overlooked. The swimming pool is the "pièce de résistance", close to the house for an inviting dip, and equipped with a robust cover when not in use. A double garage is near the double gates for easy vehicular access.

La Châtre has a heady mix of medieval half-timbered buildings, artisans' workshops, shops, bars and restaurants, all within walking distance of this wonderful home, as well as doctors, dentists, pharmacies, supermarkets, schools and sports facilities. Further services can be found...
