Plot Size:	24700 m2

IN BRIEF

Charming 19th-century white stone farmhouse in the heart of the Quercy Blanc, centrally located between Lauzerte, Montcuq and Castelnau Montratier. With panoramic views over rolling hills and valleys, this renovated property combines traditional character with modern comforts, such as double glazing, central heating with heat pump and aircon & solar panels. The property has been beautifully moulded by the previous 5 generations who have lived here, and now features a spacious main house with 4 bedrooms, elegant living areas and terraces, still leaving you plenty of room for your own, personal touch. The swimming pool, extensive gardens, plus versatile outbuildings and a 7,255 m² partly buildable plot, makes this a property ideal for gîtes, guesthouses, or a small agricultural project. You will enjoy the privacy, the abundant natural light, and the tranquil rural lifestyle while remaining close...
