NOTES

DESCRIPTION

Just minutes from the Mediterranean, in the highly sought-after village of La Palme, this property primarily represents a rare opportunity: to acquire a 1,149 m² plot and create a bespoke construction project in a particularly pleasant natural environment.

Access is via a gate from the road, followed by a private track running alongside the neighbouring house and a wall behind which lies a small private pond belonging to another owner, with a right of way. According to available information, this pond may soon be offered for sale, which could represent an interesting opportunity in the future.

The plot is bordered by a small stream flowing directly into the sea, creating a peaceful and natural atmosphere.

The property is located just a 5 to 10-minute walk from the centre of La Palme and approximately 200 metres as the crow flies from the Étang de La Palme. Beaches are within easy reach:

- La Palme beach approx. 10 minutes by car
- Port-la-Nouvelle beaches approx. 13 minutes
- La Franqui beach approx. 15 minutes

Currently on the land stands a structure dating from 1982, with a surface area of approximately 55 m², partly composed of an attached caravan. This is to be considered primarily as a base to demolish or fully rebuild, allowing for a new construction project, subject to planning permission.

Additional features include:

- a small independent outbuilding with shower, WC and storage,
- a workshop of 17.5 m²,
- a terrace of approx. 44 m² with a stone-built barbecue.

The property is connected to mains drainage.
