DESCRIPTION

This house has been renovated from the ground floor to the top, offering a unique layout and many possibilities, whether as a permanent home, a lock-up-and-leave property, or with strong rental potential. Located just a few minutes' walk from the main village square, this three-bedroom, two-bathroom, two-kitchen house also benefits from a garage and a sunny roof terrace.

The house has two entrances from the street. The main original wooden front door leads into a hallway with internal access to the garage. The second double-glazed door opens into a space that could be used as an office, craft room, library, or studio.

On the first floor, there are two good-sized double bedrooms, a newly fitted kitchen, and a bathroom. The open-plan living and dining areas feature double doors opening onto a small balcony.

The next level offers a bright and airy open-plan kitchen, living, and dining area, a large bedroom, and a modern fitted kitchen and bathroom, completing this floor.

The final cherry on the cake is the roof terrace, accessed via a lovely wooden staircase, ideal for enjoying a morning coffee, soaking up the sun, or entertaining on warm summer evenings.

The historic village of Tourbes is a charming village with many festivals and events throughout the summer, surrounded by beautiful countryside, vineyards, and stunning mountain views. It is an excellent location for discovering the region and beyond.
