DESCRIPTION

A bioclimatic home in a picturesque rural setting

The layout of the house allows you to fully enjoy the outdoor spaces, particularly thanks to a sheltered terrace, ideal for outdoor dining even on windy (mistral) days.

Comfortable and bright, this home has been cleverly designed with a South/West thermal vestibule that limits heat loss in winter.

In summer, the green pergola provides natural shade and a pleasant cooling effect, enhancing comfort on the terrace and inside the house.

Its numerous glazed openings allow natural night-time ventilation for optimal comfort throughout the year.

The entire property has been meticulously maintained.
