IN BRIEF

A beautifully restored old stone house, renovated less than 10 years ago, combining comfort, modern features, and authentic charm. Everything has been renovated to a high standard, while carefully preserving the character of the property and its exposed stonework.

Its spacious and warm living room with a pellet stove, along with its 5 bedrooms (including 2 with ensuite bathrooms), make it an ideal home for welcoming family and friends.

The finishes have been chosen with great care and taste: pellet insert, reversible air conditioning, modern kitchen, and wood-effect tiled flooring.

From the house, you can enjoy a unique view of your own small vineyard. Outside, you will benefit from a private and well-exposed terrace and garden, or choose the shade of an olive tree.

In this charming Charente village, you are within walking distance of two grocery shops, a hairdresser, a pharmacy,...
