NOTES

DESCRIPTION

Let's begin the tour! Below this famous village, in a peaceful and sheltered location, the property stands proudly in its extraordinary natural surroundings. Push open the entrance gate and you'll be surprised at every turn!

As soon as we walk down the driveway, oh my, it reveals itself with its large windows and terraces, inviting us into the sunshine! We take the stairs. Imposing and elegant, a clever mix of stone, brick and ochre tones, we climb the stairs and stop at each step to admire the garden! We enter and are greeted by a bright 13m² hall! We open the industrial glass sliding door and find ourselves in the 22m² fully equipped and perfectly functional kitchen, with windows on both sides and a window above the sink offering a direct view of Cordes, enough to make washing up a pleasure! And it opens onto a large terrace offering the same sublime view! It is appreciated during the hottest hours of the day as it is sheltered from the midday sun! Next, from the kitchen, we discover with great amazement THE 72m² living/dining room!!! With double bow windows opening onto a balcony and large side windows, it is a paradise for green plants and flowers. The incredible light captivates and fascinates us! A beautiful fireplace, light-coloured tiles and so much space! This room also opens onto the terrace on the kitchen side!

Back in the entrance hall, we move on to the sleeping area with a beautiful 20m²...
