IN BRIEF

Set in beautiful green rural countryside with open fields beyond, there is a series of three old farm buildings and two water wells on 9,720 m²*. More land is available should you wish to expand.

The first building comprises an open courtyard, an old storage house with a hayloft above and an old pigsty. Planning permission has already been obtained for the pigsty's conversion into living accommodation. There is also a large detached garage and an old detached house in poor condition that is in need of repair.

The three buildings are set in vast grounds, but there is the possibility to purchase additional land.

The property is situated in a small rural hamlet just a short drive from Availles Limouzine.

DESCRIPTION

This is a superb opportunity to purchase this trio of old farm buildings, one of which has already been granted planning permission.

It is the perfect opportunity for anyone looking to go off-grid, as there is an opportunity to independently mount solar panels on the south-facing roof. Alternatively, there is a transformer for electricity nearby. There is also a mains water connection nearby.

The buildings are in need of renovation, but would make fabulous home/s or a great business opportunity.
