DESCRIPTION

...

Dating back to the 19th century, this delightful country property is within walking distance of a village with a boulangerie and a local shop. Set around an inner courtyard, the property comprises a farmhouse (in need of works), a barn, a large gîte (built in 1996) and a separate office/reception area.

The front door of the farmhouse (152m²) opens into a sunny sitting room/dining room with a wooden staircase to the upper floors and an open fireplace with a hot-air heating system. Behind this room is a kitchen with an adjoining utility room/pantry. Please note that kitchen units and equipment will need to be installed.

The first floor comprises a bedroom, a bathroom (bath and walk-in shower) and a separate WC. NB: these first-floor rooms have sloping ceilings. The second floor has two further bedrooms and access to unconverted loft space (approx. 60m²), which could be used to create a loft-style bedroom with en suite shower room (permission required).

Built in 1996, the separate gîte (344m²) was originally built to accommodate groups of children (age 3 and above) and is therefore certified for groups of up to 34 people. In addition, two shower rooms and two WCs are adapted for wheelchair users. All furniture and equipment will be included in the sale.

The ground floor of the gîte has a dormitory-style bedroom, a smaller bedroom, four shower rooms and four WCs. Upstairs, there are three further dormitory-style bedrooms, two large shower rooms and two WCs.
