IN BRIEF

A haven of peace: Stone farmhouse on 6 hectares

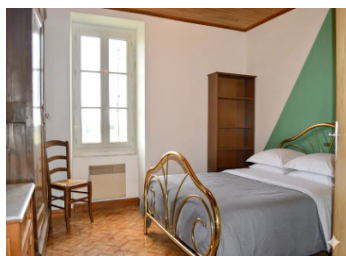

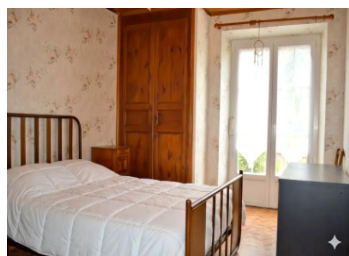

Just 35 km from Bergerac Airport and 20 minutes from Villeneuve-sur-Lot, discover this authentic farmhouse nestled in the heart of unspoilt countryside. Set on over 6 hectares of contiguous land, this property offers rare potential for agricultural, equestrian or holiday let ventures.

The single-storey farmhouse, built from local stone, comprises an entrance hall, a cosy living room with a fireplace, a separate kitchen, three bedrooms, a bathroom and a toilet. The convertible attic space offers the potential to significantly increase the living area.

The grounds feature two imposing barns, including a garage and workshop. A major advantage: water self-sufficiency is ensured by a pond fed by two springs and a working well spread across the estate.
