NOTES

DESCRIPTION

Located on the outskirts of the charming village of Saint-Julien-le-Vendômois, this attractive detached property has been extensively renovated to create a comfortable and energy-efficient home with generous living spaces and a peaceful rural setting.

The front door opens directly into the heart of the home: a superb 64m² open-plan living, dining and kitchen area. This bright and welcoming space features tiled flooring, clean contemporary décor and ample room for both family living and entertaining. The modern corner kitchen is fitted with a central island incorporating a sink, together with an electric oven, electric hob and extractor fan. The generous proportions of the room allow plenty of space for both dining and relaxation areas.

Also on the ground floor is a separate WC and a spacious master bedroom with an en-suite shower room featuring a double hand basin, walk-in Italian shower and heated towel rail.

A striking modern metal staircase leads to the first floor, where a large room has been created within the attic space. Retaining its exposed timber roof beams, this versatile area is currently used as a games room but offers excellent potential to create additional bedrooms and a bathroom if required, subject to any necessary permissions. This level also includes a second bedroom and a separate WC.

The lower ground floor provides further accommodation with a large additional bedroom, a generous family bathroom with hand basin and walk-in shower, a separate WC, plus useful storage and cellar space.

The property benefits from double glazing throughout, a...
