DESCRIPTION

House 1

The main house has been tastefully renovated while retaining many original features. The ground floor offers a spacious 30 sqm living room with a fireplace and wood burning stove, dining area, and staircase to the first floor. The adjoining fitted kitchen (12 sqm) includes a range of wall and base units, integrated oven with gas hob, and space for appliances. A ground floor shower room and useful storage cupboard complete this level.

Upstairs, the landing leads to a family bathroom with corner bath, two bedrooms (including a principal bedroom with built-in wardrobe), and an office or occasional bedroom.

House 2

The second stone cottage provides ideal guest or rental accommodation. The ground floor includes a fitted kitchen, modern fully tiled shower room, and a bright 22 sqm living room with patio doors and a recently installed double-glazed window.

The first floor offers a mezzanine office or occasional bedroom, along with a comfortable double bedroom enjoying open countryside views.

Outside

The garden is level and mainly laid to lawn, with mature flower borders, shrubs, and a patio area—perfect for outdoor dining. The property enjoys far-reaching rural views and benefits from gated access and additional communal parking.
