DESCRIPTION

Travelling down a country land past the farms outside of Chamberat you access the fully gated and fenced property with quite breathtaking views across the Allier countryside.

Close to the entrance of the property is a prefabricated garage (approx 15m2) providing excellent storage for gardening equipment and garden furniture.

There is a large hangar (approx 20m2) with views straight down the centre of the lake. The owner currently houses his Caravan underneath and there is still dining space to the side and also under the large mature Oak behind.

The owner recently had the lake inspected and was advised to remove trees from the dam wall which has been completed.

The family have enjoyed their private lake with friends for nights away, weekend and holidays over the years and also enjoyed fishing for the carp in the lake. It's an idyllic getaway in beautiful surroundings.
