

An ancient 3 bedroom stone cottage with 16th century elements and a meadow.

INFORMATION

Town:	Hautefort
Department:	Dordogne
Bed:	3
Bath:	2
Floor:	107 m2
Plot Size:	13091 m2

IN BRIEF

A pretty, cottage which may have once been part of larger 16th century property due to its high gable and carved stone interior doorways. The house which is surrounded by its own meadow on two sides, has later additions and is in need of interior refreshing. An easy cosmetic project for those with vision while living on site and approximately 3 ¼ acres of land, enough for a pony.

ENERGY - DPE

NB. Quoted prices relate to euro transactions. Fluctuations in exchange rates are not the responsibility of the agency or those representing it. The agency and its representatives are not authorised to make or give guarantees relating to the property. These particulars do not form part of any contract but are to be taken as a general representation of the property. Any areas, measurements or distances are approximate. Text, photographs and plans, where applicable, are for guidance only. Leggett and its representatives have not tested services, equipment or facilities and cannot guarantee the same.

Particulars for off-plan purchases are intended as a guide only. Final finishes to the property may vary. Purchasers are advised to engage a solicitor to check the plans and specifications as laid out in their purchase contract with the developer.
