DESCRIPTION

At the end of a quiet residential cul-de-sac this attractive property is surrounded by pretty gardens, attractive seating areas and off-road parking.

Stairs lead you to the front door that welcomes you into a good sized hallway, with separate wc, and a large storage cupboard.

To the right the hallway leads to 2 bright double bedrooms, one to the rear and one to the front of the property (13m² & 10m²). The front bedroom has french windows and a small dressing area/walk-in wardrobe space whilst the rear bedroom has views over the back garden.

The tiled bathroom has a bath, a separate shower cabin and double sinks as well as plumbing for the washing machine.

To the left of the entrance hallway is the main living area. The large living room, with brand new wood pellet burner (ducted to heat every room in the house) has cosy corners to watch tv and plenty of room for a dining table close to the cheerful open kitchen allowing you to entertain without being closed off from your guests. Flooded with light thanks to the patio doors on 2 sides, this living space is further enhanced by the adjoining conservatory that leads out to the raised terrace and garden.

There is an attic space above, with window to the front of the property. Currently used to house the ducting for the pellet burner heater this space could be turned into a fabulous home office with far reaching views...
