DESCRIPTION

The house is set in the middle of a large, enclosed garden. The spacious living /dining and kitchen space has walls of windows/french doors opening onto a generous terrace by the pool with views to the mountains. The 3 bedrooms and shower room/WC are in an area separate from the living space. Off the kitchen is a huge utility/laundry room with French doors onto the terrace. From here there is a door to the studio and jacuzzi room which also has separate access from the outside. The layout gives you options to rent out the studio, for example, during the Jazz in Marciac festival, or seasonally. Alternatively, it can provide a granny flat/further accommodation.

Outside, the south facing terrace gives onto the pool and wraps around the house to the west where the delightful garden with lawned areas includes a petanque/boule court. A variety of mature trees and shrubs take you around to the other side of the house where there is a large garden workshop, a lawned area and a further terrace off the jacuzzi room.
