DESCRIPTION

You enter the house through a conservatory (18m²) into a large open-plan living room with a modern kitchen (40m²). The kitchen is well equipped with plenty of storage cupboards and a central island. There is a large log-burning stove and ample space for a lounge area as well.

To the right, you pass through to a dining room / second sitting room (25m²), which opens onto the swimming pool and patio area with veranda. Next to this is a ground-floor bedroom (10.5m²) with an en-suite bathroom including WC, washbasin and shower.

There is also a utility room (5.25m²) with space for a washing machine, tumble dryer and WC. This room also houses the gas central heating boiler.

Upstairs, on the first floor, there are two bedrooms (11m² and 12m²), both with en-suite bathrooms. A further staircase leads to the attic, which provides a large additional bedroom (18m²) with its own bathroom.

The house benefits from double glazing. All windows have wooden shutters, except for the dining / sitting room, which has electric shutters. The property has been well maintained over the years and benefits from a new roof on the garage and the lower part of the house.

Directly in front of the patio is the swimming pool (17m x 4m). The views are superb and the property has plenty of charm and character. In the garden there are two useful sheds and a large double garage, with ample space for a vegetable garden.
