## IN BRIEF

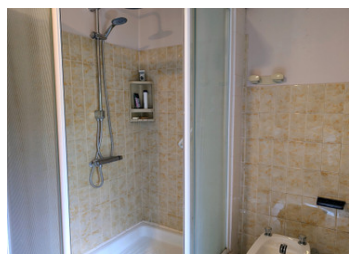

A unique opportunity and a unique setting. Three stone houses set in their own small 'hamlet', an in-ground pool, outbuildings, a wood fired bread oven, and surrounded by just over 1 HA of land. This property would be ideal to be rented as three gîtes or as a main house with two gîtes. The principal house (approx. 139 m2), with a typical Périgourdine pigeonnier tower, includes on the garden level a kitchen, a utility room, and a wine cellar. Doors from the kitchen lead onto a terrasse. On the first floor, there is an entrance, a large living room (around 35 m2) with a wood burner, and doors leading to a terrasse at the rear of the house. There is also an office, a bedroom, a bathroom, and a separate WC. Upstairs, there is a landing, a dressing..
