## NOTES

## DESCRIPTION

Full of authenticity and charm, this 146 m<sup>2</sup> stone house is sure to impress from the moment you arrive. Original materials have been carefully preserved throughout: exposed stone walls, terracotta tomette floors inlaid with criss-cross timber planks forming beautiful diamond patterns — a truly exceptional floor that gives the living area and kitchen a warm, one-of-a-kind atmosphere.

On the ground floor, the entrance hall leads to a utility room, a separate WC, and a bright, spacious living room with kitchen area and fireplace. A bedroom and shower room complete this level, along with a storeroom with staircase.

Upstairs, the landing serves four bedrooms with varied configurations, including one with a mezzanine and en-suite shower room with WC, and another with a mezzanine and shower room, offering great flexibility. Please note that one of the mezzanine bedrooms requires some finishing work before use. The property benefits from double glazing and fibre optic connectivity.

Outside, an adjoining garden with terrace and garden shed is perfect for outdoor living. Across the road, a separate plot adds further value with a garage, garden shed, log store, and a semi-inground swimming pool in need of restoration — a wonderful opportunity to create something special.
