DESCRIPTION

A fantastic opportunity to renovate this spacious village house. Enter into a large room that was formerly used as a shop, now offering excellent potential as a generous living area. To the rear, the kitchen features a fireplace (to be checked before use), along with an additional small room on the same level.

Upstairs, there are three bedrooms and a bathroom, with double-glazed windows already installed. The attic also offers scope for conversion into additional bedrooms, subject to the necessary planning permissions.

At the back of the property, a conservatory leads to a vaulted cellar with a well. Outside, there is a courtyard, an additional outbuilding, and steps leading up to a small elevated garden.

Although the house requires complete renovation, it presents great potential as a family home, holiday home, or rental investment. The property is equipped with radiators connected to an oil-fired boiler (condition unknown), and electricity and water are available for reconnection.
