IN BRIEF

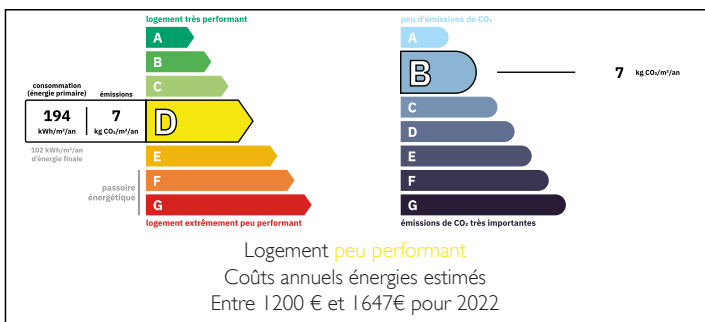

Great opportunity to buy a spacious (79m², with 64m² of habitable space) two bedroom apartment in the heart of Paradiski. It also comes with not one but two mezzanines so you can sleep 6 people comfortably with room for another guest on the mezzanine above the main bedroom.

A fantastic feature of this lovely apartment is the outside space which you will not find in the high altitude parts of Les Arcs. The large 22m² terrace gets the sunshine from the morning through till the afternoon and then you can switch to one of the 3 balconies for perhaps more sun in the evening.

The lounge diner has loads of room for relaxing on the sofas before moving to the dining table just next to the terrace. The kitchen is tucked round the corner but also has a door to...

DESCRIPTION

The apartment is on the second floor and comes with a dedicated parking space.

The lounge diner is 25m² with a south facing balcony off the lounge and a lovely terrace off the dining area. This is a wonderful addition to this property; lots of sunshine, lots of space (22m²) which in summer gives you more living area. Ideal for families but also increases the rental potential should this be an investment property.

There is a separate WC on this floor.

The kitchen is tucked round the corner but has a door to the terrace; perfect for summer living. Why eat inside when you can be on your mountain terrace?

The bedrooms are large (10m²) and each have their own ensuite bathrooms. The master bedroom has a lovely modern shower room with light bricks to add to the feeling of maybe being in a boutique hotel. From the long balcony you can watch the Vanoise Express move from Les Arcs to La Plagne.

The second bedroom has a large bathroom with bath and WC and a large south facing balcony which overlooks the terrace.

From this bedroom you can access the two mezzanines; one is open and can fit a double bed and the other is a bit of a "Namia" surprise.....open what looks like a cupboard door and there is 4.86m² where you could sleep an extra person. With a glass partition overlooking the master bedroom, this is one of those features which makes this more than...
