DESCRIPTION

A feeling of calm and serenity will come over you when you discover this manor house, and you will be able to feel the historical heritage of this region of La Sainte-Maure.

The property features some lovely old features (terracotta floor tiles, exposed beams, etc.) and is equipped with a wood-burning stove in the adjoining caretaker's cottage and a heat-storing electric convactor heater, traditional electric convactor heaters and an open fireplace in the main house.

It requires renovation works, including bringing the septic tank up to standard, which is currently undersized; the roof, although it is not currently leaking; the electricity; and bringing the kitchen and bathrooms up to date.

The grounds are full of treasures, 48 olive trees, a landscaped garden and numerous dry-stone terraces dotted with centuries-old oak trees, including dry-stone ruins, a tunnel and even a dolls' house for the children!

It benefits from a borehole and canal water.

The property also includes 4.8 hectares of AOC vineyards under a leasehold arrangement, generating an annual income of around €3,000.

You can get to the motorway and all amenities in just a few minutes.

Aix-en-Provence is just ½ hour away.
