Particulars for off-plan purchases are intended as a guide only. Final finishes to the property may vary. Purchasers are advised to engage a solicitor to check the plans and specifications as laid out in their purchase contract with the developer.

DESCRIPTION

A very spacious, individually designed chalet built in 2005 to a high standard and located in the highly acclaimed, family friendly ski resort of Sainte Foy. Set in the desirable La Bataillette quarter of the ski station, it is only 150m from the pistes and for the adventurous, you can literally ski 'off piste' to the terrace at the rear of the chalet.

Traditionally Savoyard designed and built, an entrance hallway leads into a reception foyer where you will find 4 spacious bedrooms to accommodate 8 people in comfort on the ground floor. The master bedroom at the front of the chalet comprises a shower room and a balcony affording truly spectacular views across the valley to the Aiguille Rouge Mountain and the neighbouring ski resort of Les Arcs. Three further good-sized double bedrooms and a separate bathroom are also located on this floor level

A stairway leads to the first floor where you will find the inviting open plan dining area and fully fitted modern kitchen which looks out across the large living room with quality oak flooring featuring a high vaulted ceiling and beautiful wood beams. This spacious area is complimented by the impressive log burning fireplace which is the real focal point of the chalet. Patio doors lead out to the balcony at the side of the chalet and onto the private 30m² terrace wrapping around to the rear of the property.

There is also a utility room on the first floor...
