DESCRIPTION

Malestroit area, between Vannes and Redon, near La Gacilly.

Just a stone's throw from the Nantes-Brest canal. Magnificent, fully renovated farmhouse – Eco-friendly home with character in the heart of nature

Nestled in a verdant setting, in the peaceful countryside, this superb 260 m² stone farmhouse combines authenticity, modern comfort, and high-quality eco-friendly renovation.

Completely renovated with noble and sustainable materials, this property captivates from the moment you arrive with its exceptional charm: exposed stone, cathedral ceiling, antique terracotta tiles, warm wood, and light-filled spaces create a unique and soothing atmosphere.

The Spanish slate roof, double-glazed windows, and constructed wetland wastewater treatment system demonstrate a renovation conceived with an eco-construction approach that respects the environment.

The house is centered around a spacious living area of nearly 90 square meters with an open-plan kitchen featuring a central pellet stove, which distributes heat evenly.

A welcoming dining room with an adjoining lounge, a place for relaxation and quiet contemplation opening onto the garden, completes the space.

The kitchen also opens onto a separate living/dining room with a wood-burning stove. This space is bathed in light thanks to large windows opening onto the terrace and garden.

The house also boasts a stunning open mezzanine above the kitchen, housing a bright and inspiring office space. A true architectural centerpiece, it showcases an impressive cathedral ceiling, enhanced by the interplay of light that reinforces the feeling of
