DESCRIPTION

Discover a rare opportunity on the outskirts of Limoges: the combined sale of both the property and the business of a hotel-restaurant enjoying a privileged riverside location on the banks of the River Vienne. Ideally situated on the main road between Aix-sur-Vienne and Limoges, close to the train station and local amenities, this well-established establishment has welcomed a loyal clientele of locals, travellers and groups for many years.

Its strategic location on a busy route also guarantees daily passing trade from tourists, motorcyclists and walkers following the nearby Santiago de Compostela pilgrimage routes.

* Important: the sale concerns the entire property and business together. It is not possible to purchase the building or the business separately.

NOTES

The property features a large and welcoming main restaurant room with bar, filled with natural light and offering direct access to the terrace with beautiful views over the garden and the River Vienne. A second, more intimate dining room with fireplace also benefits from direct outdoor access.

In addition, there is a dedicated dance and reception hall with its own independent entrance, ideal for private parties, weddings, celebrations and group events. This configuration offers excellent development potential for an events-based business activity.

The professional kitchen and dedicated dishwashing area have been designed for smooth and practical day-to-day operation.

Significant investments have recently been made to improve both the business and working comfort, including upgrades to kitchen equipment, alarm systems, fire safety installations, as well as restaurant and terrace furniture.
