DESCRIPTION

Nestled in an easily accessible setting, this authentic stone country house offers rare potential for those who love projects with character. With 312 m² of living space and 10 rooms, it will appeal to both a large family and an investor looking for a unique property to transform according to their vision.

The charm is evident from the moment you enter: high ceilings, beautiful windows, abundant natural light and generous spaces give this imposing property a true soul. The main house currently offers several living spaces, bedrooms, and rooms to be reimagined, opening the door to numerous possibilities: a family home, guest house, vacation rentals, a private practice, offices, or professional accommodations (subject to administrative approvals).

The lower level includes a separate two-room apartment as well as several storage rooms offering further potential for conversion.

Outside, there is 4,380 m² of grounds, located in an agricultural zone, which offers the potential for a truly beautiful landscaped setting. An old basin could be converted into a swimming pool or lap pool, while the approximately 40 m² annex offers the potential for a workshop, a reception area, or additional living space. Planting suitable trees and shrubs would also help create more privacy and naturally reduce noise from the nearby road.

A unique property, visible and easily accessible, ideal for those seeking above all a place to live or work with character, spaciousness, and lots of potential.

An authentic property that will appeal to lovers of beautiful stone and ambitious projects.
