DESCRIPTION

Entrance/hallway

A spacious (4m²) hallway with a bathroom (2.56m²) and separate WC with plenty of storage in the double cupboards.

Bedroom

The bedroom (6.77m²) has a clever configuration of beds! The bunkbed can fold away to create a comfortable single bed. There is also a pull-out bed which could be used as a double or another single. Three people can comfortably sleep in this bedroom which has an east-facing window to let in the morning light.

Living area

The lounge/diner area is 15.57m² and has a galley-style kitchen with breakfast bar.

Next to the kitchen is the "secret" bed; a pull down single bed which folds neatly away when not in use (ask for the video!).

The super comfortable double sofa bed is next to the large picture window with the amazing views of La Plagne and the Tarentaise valley.

Balcony

West facing means the apartment is bathed in sunshine all year round and the owners have even dined on the balcony in winter as it's so sheltered.

Residence facilities

The big plus of this residence is the lovely outdoor pool with sun terrace, west-facing of course! This is on the same level as the apartment so no need to go wandering around the residence in your towel, it's just down the corridor.

The apartment is on the 8th floor which can be accessed by stairs or by the lifts.

The ski lockers are at road level and the locker for this apartment is opposite the door so you are straight out ready for...
