NOTES

DESCRIPTION

Set in over 6 hectares of beautifully landscaped grounds with mature trees and flowering gardens, a private driveway leads to an impressive 4/5-bedroom manor house, a self-contained single-storey apartment, and 4 comfortable, tastefully furnished holiday cottages.

The extensive meadows offer excellent potential for keeping horses, for example, making the property ideal for an equestrian project or other countryside pursuits.

MANOR HOUSE – Main house and private apartment

With a living area of approximately 270 m², the main house and its separate apartment offer the ideal features for settling your family in the best possible conditions.

The house (180 m²) features a dining room, a large modern, well-equipped kitchen perfect for entertaining, a cozy living room, and 4 to 5 bedrooms (in need of updating), some with private bathrooms. The two attic bedrooms are in need of renovation or updating.

On the garden level, a spacious apartment (90 m²) has been converted for family and friends without interfering with the seasonal rental business; you can host your loved ones in this superb 2-bedroom apartment (15 and 20 m²), featuring a spacious living/dining room/open kitchen of 45 m² centered around the wood-burning insert.

4 COTTAGES TO HOST GUESTS YEAR-ROUND

The 4 cottages are all very different, offering 1 to 3 bedrooms depending on your clientele. All cottages feature high-quality amenities including air conditioning, convector heaters, double-glazed windows, screen doors, closets, and safes, as well as modern, fully equipped kitchens renovated in 2020.
