NOTES

DESCRIPTION

Located just a short drive from the popular bastide town of Beaumont-du-Périgord, this deceptively spacious home offers approximately 105 m² of living space over two floors.

The ground floor offers three bedrooms, including a principal bedroom with its own en-suite shower room, while the remaining two bedrooms share a second shower room. At the heart of the home is an open-plan living and dining room with exposed beams and a wood-burning stove.

Upstairs, the converted loft provides a versatile landing currently used as an office, leading to a fourth bedroom—ideal for guests, remote working or older children.

Outside, the approximately 200 m² garden has been designed for easy maintenance and features a recently laid travertine terrace, a heated swimming pool and a terrace with a retractable awning. While some updating would further enhance the property, it already offers generous accommodation, character and excellent potential.
