DESCRIPTION

This property stands out for its flexible layout and its two levels, both accessible on one level, offering numerous possibilities for customization.

The main level opens onto an entry hall with built-in closets and a half-bath. It leads to a beautiful, bright living area consisting of a fully equipped kitchen that opens onto the dining room and living room. This space provides access to a 16.5 m² balcony with superb unobstructed views of the surrounding countryside. Two bedrooms complete this level, one of which features a walk-in closet, as well as a bathroom equipped with a bathtub, shower, and toilet.

On the garden level, a second independent living area features a kitchen open to the dining room, a living room opening directly onto the terrace, two bedrooms each with their own private shower room and toilet, and a laundry room. A spacious 47 m² garage completes the property.

Outside, you'll enjoy a pleasant 8 x 4 m swimming pool, equipped with an electric roller shutter, an automated water treatment system, and the option to heat the water.

Additional features:

- K-Line aluminum window and door frames with motorized roller shutters and home automation (2024)
- Recent reversible air conditioning systems (2023)
- Fiber-optic connectivity available
- Municipal sewer system
- Mechanical ventilation

This property offers an ideal solution for a large family, a multigenerational living arrangement, or a hospitality business, thanks to its independent and fully equipped living spaces.
