NOTES

DESCRIPTION

If you have dreamed of exchanging the daily commute for a successful lifestyle business in rural France, this exceptional property deserves your attention.

Currently operating as a popular and well-established holiday complex, this is far more than a beautiful home - it is a genuine turnkey business opportunity. The current owners are prepared to transfer the established website, business contacts and existing forward bookings to the purchaser by separate agreement, providing an excellent opportunity to continue the successful holiday rental business with minimal interruption.

At the heart of the property is the spacious owners' residence. The accommodation comprises a welcoming lounge, a generous kitchen with dining area, study area, tack room and a ground-floor shower room with WC. Upstairs are three comfortable bedrooms together with a family bathroom, creating a practical and private living space separate from the guest accommodation.

The holiday accommodation consists of three individual gîtes, each thoughtfully arranged to provide comfortable self-catering accommodation and benefitting from access to the excellent communal facilities that have made the complex so popular with returning guests.

Designed with families and groups in mind, the shared amenities include a heated swimming pool with surrounding terrace, a superb games room and a large covered outdoor dining and entertaining area, ideal for communal meals, celebrations and relaxed evenings throughout the season.

For buyers looking to grow the business even further, a substantial stone barn presents exciting potential for conversion into additional guest accommodation, subject to obtaining the necessary permissions.
