IN BRIEF

Lovingly renovated by the current owners over the past few years, this charming property has been restored with great care and attention to detail. Once a traditional village home with an adjoining workshop where wagon wheels were handcrafted for local farmers, it has been thoughtfully transformed into a comfortable and characterful family home. The former workshop has been seamlessly incorporated into the living accommodation, creating a unique and spacious open-plan living area full of charm and history.

Set in the beautiful rolling countryside of the Creuse, the property enjoys wonderful views from the garden and a peaceful rural setting. From the open-plan room, steps descend to a cellar, while a second cellar is accessed from the opposite side of the room, providing excellent storage space.

Returning to the hallway, there are two generously sized double bedrooms, (13.50m2,10m2),along with the original kitchen, (which, although compact, is fully functional. The ground floor is completed by a shower room and a separate WC.
