DESCRIPTION

Situated in the centre of the popular village of L'Absie, this spacious five-bedroom property offers an excellent opportunity to create a comfortable family home, holiday retreat or investment property.

The ground floor comprises a kitchen (14m²), living room (36m²), separate lounge (42m²) with patio doors, bathroom (8m²) and storage room (9m²). Stairs from the kitchen lead down to a cellar, which provides access to the garage.

The first floor features a large landing (13m²) leading to five bedrooms (11m², 13m², 19m², 21m², 19m²), one of which benefits from a washbasin. A staircase from the landing leads to an attic over half of the house, while a loft hatch provides access to the remaining roof space, offering excellent storage or future development potential (subject to permissions).

The property has recently benefited from the installation of an air source heat pump and air conditioning in most rooms, providing efficient year-round comfort.

With no garden or outside space, this is an easy-to-maintain property, making it an ideal lock-up-and-leave holiday home or rental investment.

Conveniently located just a 2-minute walk from the village park and within easy walking distance of local shops and services. Larger supermarkets and additional amenities can be found in La Châtaigneraie and Secondigny.
