## DESCRIPTION

### Ground Floor

The front door opens into a bright and spacious open-plan kitchen/dining room, creating an immediate sense of space and making this the heart of the home. Practical tiled flooring runs throughout the ground floor, keeping the house cool during the summer months while being durable and easy to maintain. A wood-burning stove provides additional warmth during the winter.

The modern fitted kitchen (3.4 x 2.5m) is arranged in an L-shape and offers generous worktop space, ample storage and a breakfast bar, perfect for casual dining or chatting while cooking. A separate utility room (2.5 x 2.1m) provides additional storage and keeps laundry and household tasks neatly out of sight.

The spacious dining area (5.6 x 5m) benefits from French doors opening directly onto the terrace, filling the room with natural light and creating a seamless connection between indoor and outdoor living. Exposed timber beams and the attractive wooden staircase add warmth and character.

Leading on from the dining area is the inviting living room (4.3 x 5.6m), where a modern pellet stove provides efficient heating. French doors once again open onto the terrace, offering lovely views over the garden and extending the living space outdoors during the warmer months.

A door from the living room leads to a comfortable ground-floor double bedroom (3.5 x 3.1m) with full-height fitted wardrobes, while a second door provides access to the shower room, featuring a double vanity unit and a spacious Italian-style walk-in shower. This layout allows the property to...
