IN BRIEF

A pretty property which in part is extremely old, neatly restored with a large open-plan living room. The house looks out across a rural landscape beyond its front gate, and a secluded courtyard bordered an ancient outbuilding/barn behind. This outbuilding was evidently part of a much older larger property with its enormous late renaissance fireplace and mullioned entrance. Therefore, there is scope for authentic interior restoration here and therefore an exciting project for the next owner. Orchard across the lane.
