IN BRIEF

Set in a peaceful rural environment, this substantial former farmhouse is an exciting opportunity for anyone looking for a property with character, space and plenty of scope to create something special.

While the house would benefit from updating, many of the important structural works have already been undertaken. The house and attached barn both benefited from new roofs in 2024, with the roof incorporating a waterproof membrane and insulation. The property also has zinc guttering, double glazing to almost all windows and a heat-pump heating system.

The town of Montmoreau is just 8 minutes away for everyday amenities and its railway station, while Angoulême, with its TGV station offering fast rail links to Paris and Bordeaux, can be reached in around 40 minutes.
